

E70 Windshield Concentrate

M-Teknologi E70 Concentrated Windshield Wash is a highly concentrated formula for efficient screen washing. The 250ml container makes up to 10L of Screenwash and easily eliminates road grime, insect remains, spills and contaminants. During the winter, the dilution is adjustable to suit low temperatures, whilst maintaining screen cleaning capabilities. It offers efficient cleaning even in temperatures nearing -45°C .

Professional Kitchen Solutions
